Disney
FROZEN JR.

A close-up photograph of a hand holding a large, intricate snowflake. The hand is positioned at the bottom of the frame, with the fingers gently cupping the snowflake. The background is a soft, blue-toned winter scene with falling snow and other snowflakes. The overall mood is magical and serene.

Director's Message

I never thought I would be so happy to build a snowman! However, I am! These kids that are on stage all hold a special place in my heart! So talented, so wonderful, so full of imagination. I wish there was a space like this for me when I was their age. Nevertheless, I am thrilled to live vicariously through them.

Each and every one of these youngsters are the stars of the Sudbury Performance Group stage down the road! I hope to work with them all, and some new found budding superstars in *Beetlejuice JR.* How fun will that be?!?

To my wonderfully weird and talented bunch of cast members: I am proud of each and every one of you. Keep up the great work. You make me happy every day.

Vocal Director

Anne has been in a few productions with Sudbury Performance Group and really enjoys spending time with her theatre family. This is her first venture as a vocal director and she loved getting to know the kiddies and she has learned so much from this experience. She hopes you enjoy the show!

Choreographer - Tara

Tara finds great joy in working with this group. *Frozen Jr.* has been a wild and fun adventure and she's incredibly proud of all of the talented cast members you are about to see on stage. Some of them are in their very first show (and as young as six years old!), and some have an array of shows under their belt. This is an amazing accomplishment for each of them, new to theatre or not. It takes a lot of hard work and dedication to get to showtime, and these talented and fun little humans have given it their all, as have our more seasoned members. Bravo to each of you – you are stellar on and off the stage. Hats off to stage management. Your assistance has been incredibly appreciated, my friends. The time it takes to help steer this ship is great, and your efforts have not gone unnoticed. Much love. Bravo and high five to Mark (here we go again!), and well done, Anne, on your first endeavour.

To all the parents – THANK YOU for all the ways in which you have supported your children and also SPG. They get to shine because of you! Thank you to all of our volunteers. Each and every job – big or small... allows us to do what we do. A huge thank you to our audience! We are glad you're here!

Enjoy the show, everyone... and warm hugs to all this holiday season!

Stage Managers - Libby, Scotia, Thomas

Sisters, Libby and Scotia have both been in countless productions on stage, but this marks their first time behind the scenes. They both have thoroughly enjoyed the rehearsal process, working with the incredible talent, and learning along the way. They're so proud of everything these wonderful kids have accomplished, and hope that you enjoy the show!

THINNING HAIR?

A topper may be your solution!
Say goodbye to thin, fine and scraggly ends!

Christine can sleep, swim, work and play in her Human Hair Permanent Top-Piece. Every 4 weeks, she comes in for a 2 hour appt for a reset.

Do you have thin, fine hair? Don't want a full wig? Toppers are a perfect solution! Consults are free and are necessary to explain and help you understand what a permanent topper is versus a clip in, the different sizes of caps, colors, lengths etc...

A top piece is considered to be a MEDICAL HAIR PROSTHESIS and is claimable on taxes as a medical expense. If you have insurance it may be covered. Some insurance companies cover wigs and top pieces regardless of the reason for thinning or hair loss.

PERMANENTLY INSTALLED TOP-PIECE – Ideal for ladies who want their hair on all the time. Sleep, Swim, Work & Play with it because it is now your own hair!

CLIP-IN TOP PIECES-Ideal for ladies that are ok with taking off and putting back on themselves. You do not sleep with it on.

At Wig Boutique we start with a free consultation. At this time, we will show & explain the systems & offer various options and prices.
